**Call for Lofts!**

**Feature your unique living space in this celebrated annual event.**

Every fall, a selection of lofts and unique South Loop homes are opened up to the public. People come from around Chicago to see how 100-year-old printing factories and warehouses have been converted into stylish urban residences.

This year, we'd like to present a mix of old, historic buildings and some of the newer architecture of the South Loop. We're featuring the South Loop lifestyle and the many varied solutions our residents have created for modern city dwelling.

Now in its 11 year, Loft Walk is one of the South Loop's most anticipated events. It's also the big annual fundraiser for South Loop Neighbors, a non-profit community organization dedicated to enhancing the quality of life in the South Loop and preserving the area's landmark districts.

Opening your home for Loft Walk is an excellent way to promote your building and neighborhood. Plus it's a lot of fun.
