Every fall, a selection of lofts and unique South Loop homes are opened up to the public. Hundreds of people come from around Chicago to see how 100-year-old printing factories and warehouses have been converted into stylish urban residences. This year, the tour also features some of the new, glamorous South Loop high-rises that offer loft-style condos with all the modern amenities.

Now in its 11th year, Loft Walk is one of the South Loop's most anticipated events. It's also the big annual fundraiser for South Loop Neighbors, a non-profit community organization dedicated to enhancing the quality of life in the South Loop and preserving the area's landmark districts. And SLN would like your help.

We need **docent/monitors** for each of the buildings and homes on the Walk, to present information and help to protect the premises. (All info will be provided for you. No experience necessary.) **Each volunteer shift is only 2.5 hours**, which leaves you time to use your free ticket to enjoy the Loft Walk tour. Those interested in volunteering should send email to:

**Helen@southloopneighbors.org** or phone Helen at **312-427-2692**. Be sure to include your home and mobile phone number and whether you prefer the **12-2:30 or 2:30-5 shift**.
